ACKNOWLEDGEMENTS:

In February of 2004 the Skipack Historical Society formed the Hunsicker House Committee to explore and facilitate the preservation of the Isaac Hunsicker Farmhouse located along Heckler Road in Skipack Township. Over the course of the past six months this committee organized an the effort to raise the funds necessary to formulate a proposal to have the house preserved. A large part of our proposal is this Historic Structures Report. This report will provide valuable information and details that will be used as a framework for the rehabilitation and restoration of the house.

On behalf of the Skipack Historical Society I would like to thank all of the individuals and businesses who have contributed money to the Hunsicker Fund. It is with these funds that the Hunsicker House Committee of the Society was able to commission and pay for this report. In particular I would like to acknowledge our three corporate sponsors for this report: Harleysville National Bank & Trust Co., Commerce Bank, and Superior Tube Company. I would also like to take this opportunity to thank those individuals who have given so much of their time and energy over the past six months in serving on the Hunsicker House Committee and helping to make this report possible.

Sincerely,

Bradley S. DeForest
